SACANDAGAN

THE SACANDAGAN CLASS OF 1962

MAYFIELD CENTRAL SCHOOL

MAYFIELD, N. Y.

Editor - JEAN WARNER

Co-Editor - PAT SMITH

FOREWORD

This year the yearbook staff has strived to improve the quality of the yearbook and to give a better coverage to all the school activities. A new feature, started this year, was that we used our own models and trophies won by the various activities of the school for the division pages. New pictures added for the first time included; Top Teens, Girls' Bowling, Cross Country, All-State Group, Corridor Patrol, and Nurses' Club. We wish to thank the faculty and administration for the kind and generous help that they have given us. We hope the 1962 Sacandagan will provide a lasting memory to all of you for many years to come.

IN APPRECIATION

We appreciate the loyal friendship, advice, and help that Mr. Dexter Risedorph has given us throughout our high school years, both in the classroom and outside. He has always shown an interest in our activities and has participated willingly in helping us to make our school days more enjoyable and worthwhile. Thank you, "Doc."

DEDICATION

We, the class of 1962, wish to dedicate our yearbook to our friend and teacher, Mr. Robert Edwards, in gratitude for his kindness and untiring efforts in helping us to attain our goals.

From our early Freshman days until the present, you have always given freely of your time and energy. As Seniors, we thank you for your patience and cooperativeness during the preparation and presentation of our Senior Play.

We, therefore, take this opportunity to express our sincere thanks.

STANDING: Mr. James Smithers, Mr. Edmund Delaney, Treasurer; Mr. Richard Olson, Clerk.

ADMINISTRATION AND FACULTY

You are aware of the recent Space Age developments. Astronauts have circled the globe and plans are now being made for putting a man on the moon. Soon we will have a world-wide communications system by using man-made satellites. Your success in this age will depend on the same qualities as were required of your ancestors. These include industry, determination, a desire to succeed and above all, a sense of integrity. There is no magic formula to substitute for your endeavors as you have learned at M. C. S.

I wish to take this opportunity to congratulate you on the fulfillment of your goals here and extend to you my best wishes for success in your future endeavors.

"THE HOUSE NOBODY LIVED IN"

By Raymond Dumkey

Produced by Arrangement with Samuel French

The Class of 1962 was very proud to present such a successful play. The fun and informality of working as a group with Mr. Edwards seemed to lessen the work it demanded of us. The faculty and other members of the class contributed their efforts and cooperation. The presentation will remain as one of the most memorable events of our senior year.

Although the team was composed of inexperienced players, they ended up with a record of 7 wins, 5 losses, and 3 ties.

The Varsity squad started off the season with some new faces, many of whom will return next year. One of the highlights of the season was the game at Canajoharie. The Panthers came from behind to upset the opposition. The game was marked with scoring sprees by Flood and Olson with assistance on the boards from Vomaska.

This year for the first time the team entered in the Mohawk League. At the present time the team has a good chance of clinching third place in both the Tri-County and the Mohawk League.

The J. V. 's this season had their ups and downs. The team was made up of a lot of new faces. What the team lacked in experience, they made up for in spirit. Next year should be a more promising one with most of the boys remaining on the roster.

This year the School Board, Mr. Smathers and Coach Parker started two new sporting events: Cross Country, which took place this fall, and track, which they hope to start next Spring.

The team did much practicing for the big Cobleskill meet. In that meet, our team placed eighth for section IV or 'D' schools. The team competed with Richmondville, Jefferson, Berne-Knox, Gilboa, Windham, Cairo, and Duanesburg.

This was only a practice meet at which Mayfield made a good showing. Our team won the title for class 'D' schools. They did well even though the competition was rough. The team ran against four "A" schools and four "B" schools.

ALMA MATER

Lift your glad voices and swell out
your lays,
Singing for Mayfield the loudest of
praise,
Honors of glorious victories abound,
Lift up your voices till echoes
resound.

Sons of our school through the years
always stand,
Shoulder to shoulder and proud of
our land.
Building forever a refuge from
wrong,
Home of the bravest and land of the
strong.

Soft in the evening our songs we
will sing,
Memories of school days the
harmonies bring.
Go back to Mayfield, ye sons of her
fold,
Once more to honor and cheer as of
old.
